

# Home Learning Weekly Guide

Our theme this week is: Family

Year: 5 Week 1	Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>Maths</b></p>	<ul style="list-style-type: none"> <li>Practise your Times Tables using Times Tables Rock stars for 10mins.</li> <li>Revise your learning about angles <a href="#">here</a>.</li> <li>Play <a href="#">this game</a> to estimate angles.</li> </ul>  <ul style="list-style-type: none"> <li>Then have a go at <a href="#">this task</a>. You can choose which section is appropriate for you and the answers are provided so that you can mark your own work.</li> <li>For even more Maths work, look at the Moulton Primary School <a href="#">twitter page</a> and follow the link to the daily Maths lesson from Gareth Metcalfe.</li> </ul>	<ul style="list-style-type: none"> <li>Use <a href="#">this website</a> to practise recalling division facts for the 2 Times Tables.</li> <li>Use <a href="#">this website</a> to create your own angles to measure using a protractor.</li> <li>Play <a href="#">Angle Alien Attack</a> to practise using a protractor to measure angles in degrees.</li> </ul>  <ul style="list-style-type: none"> <li>What different angles can you find around your home? Can you order them from smallest to largest?</li> </ul> <p>Read the angles shown on the protractor.</p>  <p>What's the same? What's different?</p>	<ul style="list-style-type: none"> <li>Practise your Times Tables using Times Tables Rock stars for 10mins.</li> <li>Recap how to calculate angles on a straight line using the resources <a href="#">here</a>.</li> </ul> <p>Angles On One Side of A Straight Line</p> <p>Angles on one side of a straight line will always add to <b>180 degrees</b>.</p> <p>If a line is split into 2 and you know one angle you can always find the other one.</p>  <ul style="list-style-type: none"> <li>You can look at the Powerpoint first to remind yourself how to do it and then choose one of the tasks to complete.</li> <li>For even more Maths work, look at the Moulton Primary School <a href="#">twitter page</a> and follow the link to the daily Maths lesson from Gareth Metcalfe.</li> </ul>	<ul style="list-style-type: none"> <li>Use <a href="#">this website</a> to practise recalling division facts for the Times Tables.</li> <li>Recap how to calculate angles around a point using the resources <a href="#">here</a>.</li> </ul>  <ul style="list-style-type: none"> <li>You can look at the Powerpoint first to remind yourself how to do it and then choose one of the tasks to complete.</li> <li>For even more Maths work, look at the Moulton Primary School <a href="#">twitter page</a> and follow the link to the daily Maths lesson from Gareth Metcalfe.</li> </ul>	<ul style="list-style-type: none"> <li>Create your own Times Table grid by drawing a 12 x 12 array and then fill in the boxes. Use a stopwatch to time yourself. How quickly can you complete it?</li> <li>Use the <a href="#">BBC Bitesize website</a> to revise 2D shapes. How many 2D shapes can you identify in your home?</li> <li>Sort the regular and irregular polygons <a href="#">here</a>. Get a family member to test you on the properties of each shape.</li> <li>Explore the total of the interior angles in 2D shapes using the task below.</li> </ul> 
<p><b>Reading Skills</b></p>	<ul style="list-style-type: none"> <li>Read a chapter of the book you have been reading at home.</li> <li>Create a comic strip to summarise the key events in the chapter.</li> </ul>	<ul style="list-style-type: none"> <li>Challenge yourself to read something in your home that is not a book.</li> <li>What unfamiliar words can you identify?</li> </ul>	<ul style="list-style-type: none"> <li>Find some non-fiction to read.</li> <li>Answer or discuss the following questions: What is the main topic of the text? How is it organised? What features of nonfiction writing can you spot?</li> </ul>	<ul style="list-style-type: none"> <li>Write 5 of your own questions about a piece of text you have read. Here are some possible question starters: Why do you think the writer chose to use....? What effect does the word...have upon the reader? Can you find a word that means the same as...?</li> </ul>	<ul style="list-style-type: none"> <li>Read a copy of <a href="#">First News</a>.</li> </ul>
