

Welcome to Moulton Primary School

Hello Children,

My name is Miss Schofield and you are going to be joining me in our Caterpillar Class when you start school in September!

I am very excited to be your first teacher and I can't wait to meet you and find out all about you and your family.

I have taught lots of children at this school over the past 15 years and loved to watch them learn and grow.

Our classroom will always be full of fantastic things for you to explore and play with. We will share games, sing songs and have story times too.

Outside of school I like to spend my time being busy in my garden, cooking yummy food, and watching rugby games! I have one daughter who has just finished university and is now going to be a Police Officer.

The summer is here, and I hope that you have a lovely time with your family and friends and that you start to get yourself ready for big school!

See you soon,

Miss Schofield
