

## Welcome to Moulton Primary School

My name is Mrs Walters and I will be your class teacher in September. Our class will be called the Dragonfly Class. I absolutely love teaching in Early Years! Our team have lots of exciting activities planned and we can't wait to meet you all and begin our learning adventures.

In school, while I enjoy teaching all kinds of lessons, my favourites are Phonics and Maths. Perhaps my favourite lessons, though, are the ones when we explore our school garden. We have a set of waterproof suits for the children so we can go out to the garden no matter what the weather is doing.

At home I enjoy spending time with my family and taking our lovely miniature schnauzer Daisy on long walks. She is now 10 years old but still likes to chase rabbits (though she never catches any!). We also have three cheeky, squeaky guinea pigs, Boris, Florence and Annie. My favourite activity is reading. I love to curl up with a good book and a cup of tea. You won't be surprised to learn that I encourage lots of story reading in the classroom too.

Have a great Summer and I'll see you in September!
