

Hello everyone and welcome to Moulton Primary School.

You are going to be part of the *Ladybirds* class! My name is Mrs Mason and I am going to be your class teacher when you start Moulton Primary School after the summer. I can't wait to meet you all and hear about the things you love to do. I will be a new teacher at Moulton in September too so we can all look after each other! I have been teaching for many, many years and I particularly enjoy working with young children, just like you. I love to sing lots of songs and share stories together as well as investigate things that interest you all.

When I am not teaching I like to spend time with my family. I have three children and a scruffy dog called Bourbon and they keep me very busy. I enjoy reading and seeing my friends which is probably just like you. I know we will all have lots of fun during your time in Ladybirds Class.

Have a wonderful summer and I will see you very soon when you start school.
