

Moulton Primary School Newsletter

Friday 2nd May 2025

Dear Parents, Carers and Children,

We are excited to remind you about the circus happening tonight! A huge thank you to the Friends of the School for their hard work in organising this fantastic event. We look forward to seeing many of you there, ready for an evening filled with fun and entertainment!

This week has been particularly exciting at school. Year 5 had an amazing visit to the Space Centre, where they explored the wonders of the universe. Additionally, our Year 5 and 6 assembly was a highlight, featuring students from MSSC who won the Northants County Challenge. We thoroughly enjoyed their 'Dance Against Misogyny' presentation, and appreciated the visit from the MSSC students, staff, and our local police.

Wishing you a wonderful Bank Holiday - if I don't see you at the circus this evening, enjoy your weekend and see you on Tuesday.

Miss Jones 😊

The Classroom News

Year 2

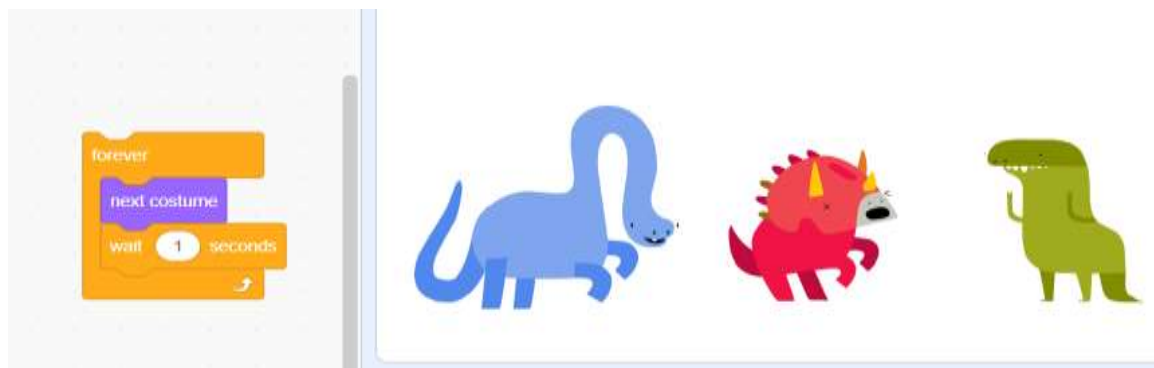

This week was a very special one in year 2. Ahead of our Great Fire of London topic, we welcomed in the one and only, Samuel Pepys! He was kind enough to time travel forward about four centuries to teach the children about what he saw at the fire in 1666. Year 2 explored the topic through artwork, dance, treasure hunts, chain ganging, costume changes and more! We felt that the children really enjoyed and benefitted from the experience. A huge thank you to the Year 2 Team for making it a great day for the children. It wouldn't have been such a roaring success without you.

Year 4

This week in Year 4, we have been planning a persuasive letter about road safety around the school - with the children passionately arguing for increased traffic calming measures, a zebra crossing and an end to cars parking on the double yellow lines. Next week, the children will be writing a letter addressed to Moulton Parish Council to raise awareness of this important issue.

We have also been exploring repetition in games and how games designers create instructions using code. So far, we have learnt to repeat actions, set infinite instructions and combine transitions/actions together. To explore this more at home, you can use the free website Scratch: <https://scratch.mit.edu/>

Dates in the Diary

DATE	YEAR GROUP	EVENT	TIME
5th May	Whole School	Bank Holiday - school closed	
7th May	Year 1	Woburn Safari Park	8.40am - 4pm
