

Moulton Primary School
Newsletter 3rd February 2023

Dear parents and carers,

Library

We are really pleased to be re-launching our newly stocked library on Tuesday with the children. The new books that we have purchased are amazing and very expensive. We want the children to get as much use from them as possible and support developing their love for reading.

The children will visit the library once a fortnight and will bring home a new book at these times. They will also bring their class reading book home too. Please try to read with your children every night but at least 3-4 times a week.

We also ask that you support your child to keep their book clean and safe. Please ensure that they are well looked after at home and that when they are in children's bags, they are placed inside the plastic wallets that we have provided.

We will add some photos to twitter over the coming weeks.

Many thanks and happy reading 😊

School Website

We are re-creating a new school website which will be re-launched on 17.04.23. We have taken on board ideas from the Parent's Forum and hope that you will find the new website easier to navigate, full of up-to-date and useful content and purposeful. The website will be for information purposes only and we will save letters, knowledge maps, clubs details etc. on there.

In the meantime, if you need anything regarding school information etc., please do not hesitate to email the school office on office@moultonprimaryschool.co.uk.

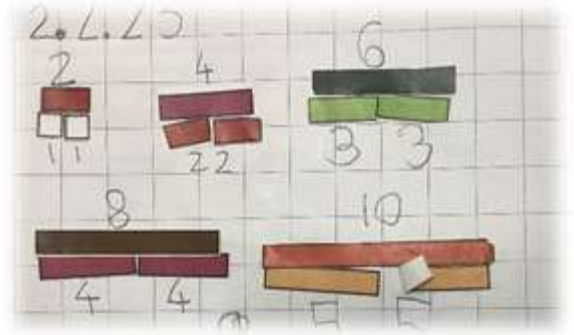

Many thanks

Mrs Somes 😊

Classroom News

Year 1

Year 1 have had another busy and fantastic week! We have been working really hard in Maths, learning all about doubling and halving. The children have been exploring Cuisenaire rods to discover the relationship between the two concepts. Afterwards, the children put lots of effort into recording their findings. They also tried to explain their ideas using mathematical language. Well done for all your hardwork Year 1!

Year 6 - Trailblazers, Barrier Breakers!

In art this term, Year 6 have been learning about artists inspired by the Civil Rights movement who used their work to express their experiences and emotions. The children have analysed the composition of two pieces of work, comparing and contrasting the use of space, media and people depicted. Sketchbooks have been used to record and gather ideas about the work of the artists. The children have started to plan their own interpretation of the artwork through photographs of themselves in various emotive poses. We can't wait to see how this project develops over the coming weeks...

School News

PLEASE CAN WE POLITELY REMIND YOU THAT DOGS ARE NOT PERMITTED ON THE SCHOOL SITE, except for Guide Dogs. This includes the steps/ramp/driveways to the playgrounds.

NEVER leave your dog tied up outside the school gate unattended.

This is for Health and Safety reasons of all, children and adults.

Thank you

Times Tables Rock Stars

Well done to all of the children who have been battling hard to earn coins and improve their speed and accuracy! Remember, we are now measuring our success in a slightly different way each week...

The top classes will be those with the highest participation over the last 7 days.

The users of the week will be those children who have improved their number of correct answers the most.

Here are this week's results...

Highest Participation:

Year 2	2 Crick
Year 3	3 Spencer
Year 4	4 Tull
Year 5	5 Spencer
Year 6	6 Crick

Most improved of the Week:

Oliver 2Tull

Nicole 3Crick

William 4Spencer

Sienna 5Crick

Imogen 6Spencer

Safer Internet Day

On Tuesday 7th February, we will be joining schools across the UK in celebrating Safer Internet Day 2023. Using the internet safely and positively is a key message that we promote in school, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, the UK Safer Internet Centre have created some free activities and information for parents and carers which are available at: saferinternet.org.uk/SID-parents.

Whether you have 5 minutes to start a conversation or hours to spare, there are top tips, quizzes and films which you can use at home with your child. If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher.
