Moulton Primary 'Summer Fun'

On Wednesday 17th July, children from EYFS to Year 5 are invited to stay at school until 5pm for a special event! Each year group will be celebrating the end of a great year for our school with some exciting summer-themed activities. The children will have the opportunity to enjoy some relaxing time with their current class and year group adults before they transition to their new classes at the end of term.

A drink and snack will be provided to keep them going. It will cost £2.50 per child and we hope that all children will stay for this special event. Please let the office know via Parent Mail should your child not be attending – the form will be available to do so next week. It is important that any changes to collection arrangements are communicated to school as early as possible to help us ensure that the event runs smoothly. Your support with this will be greatly appreciated.

Children will need to be collected from the event at the following areas:

- EYFS from the Early Years playground
- Year 1 to Year 5 from the top playground through the side gate near the hall

Any children not attending will be collected at their normal time from the school office.

If you have any questions about this event, please speak to your child's teacher.

Please look out for a Parentmail form in due course to register your child for the event.

The Classroom News

Year 2 Brixworth Country Park

Year 2 had a fantastic time on their school trip this week. They went to Brixworth Country Park and worked with rangers from Everdon Outdoor Learning Centre. The focus was science and the children took part in a range of activities including bug hunting, predator games and grass sweeping. Year 2 didn't let the rain phase them and they enjoyed seeing how many different creatures they could find. The adults were very impressed with their behaviour and a fabulous time was had by all!

Moulton Library – The Reading Agency’s Summer Reading Challenge 2024 – Marvellous Makers!

I am very excited to let you know about The Reading Agency’s Summer Reading Challenge 2024 – Marvellous Makers!

Last year in the UK 699,208 children got involved across 3,159 libraries which is fantastic. 14 million books were borrowed, and this insured that 80% of participants read more over the summer break.

This year’s theme is Marvellous Makers, a creative club who are making things for a festival at their local library, inspired by their favourite types of books.

It launches on the 20th July and runs until the 21st of September for children aged 3+. Participants will receive a starter pack, stickers for every two books read then a medal and certificate after 6 books.

Our staff will talk to the children about the books they’ve read and encourage children to challenge themselves with the books they select. We will also be running activities throughout the summer holidays to link into the theme of being creative.
