The Classroom News

Year 3

Year 3 have been having a great time getting to grips with perimeter! We have been investigating different statements relating to perimeter to find out what it is, how to calculate it and investigating if there are any tricks that might make finding the perimeter of shapes easier. Here are a few pictures from our investigation to confirm if rectangles can have the same perimeter or not.

Parents Evening

Our Spring Term Parent/Carer Consultation Events will take place on Wednesday 7th and Wednesday 14th February from 15:40-18.45. These meetings are designed to discuss how your child is doing, both academically and socially. Appointments will be live on Sunday 28th January at 5pm and will close at 10am on the day of the event. Should you wish to make any changes after this date please contact the school office.

Please visit <https://moultonprimary.schoolcloud.co.uk/> to book your appointments.

DIY SOS – Part 2

Following the success of the Autumn Term project, we are once again looking to organise a working party to transform a communal area in school.

We are hoping to recruit a team of willing parent volunteers to support us. No specific skills are required, just some team spirit and availability on **Saturday 2nd March** between 10am and 2pm (any time you can spare between these hours would be greatly appreciated).

Snacks and drinks will be provided ☺.

Please contact the school office if you are able to lend a hand so that we know how many volunteers to expect.

Thank you in advance.

Miss Darby

Dates for the Diary

DATE	YEAR GROUP	EVENT	TIME
