

Moulton Primary School Newsletter

Friday 19th September 2025

Dear Parents, Carers and Children,

It's been another busy and productive week in school. It's been lovely to see children from across the school enjoying Afternoon Tea this afternoon, as a reward for consistently showing our school values and meeting expectations.

Everyone is settling well into their new year groups, and we really appreciate your continued support with learning at home. If you have any questions or need support, please don't hesitate to speak to your child's teacher.

We're also looking forward to welcoming those who can join us for our Macmillan Coffee Morning on Friday 26th, a great cause and a lovely opportunity to come together as a school community. A quick reminder that cake and treat donations are very welcome – please bring them to the school office on Thursday 25th September. The coffee morning will run from 9.00am to 10.15am on Friday in the school hall.

Thank you for your continued support.

The Classroom News

Year 1

Year 1 have had a wonderful start to the year! They have settled in so beautifully and have worked really hard in their lessons. In writing, they have been focussing on Jasper's Beanstalk as an inspiration for their instruction writing. They have enjoyed planting beanstalks to help them understand how to help Jasper and they have also loved planting cress seeds. They then used the planting cress seeds experience to write their own instructions.

Year 3 super strings

Year 3 have thoroughly enjoyed starting their music project this week. The children have been introduced to strings instruments like violins, violas and cellos. They have already started learning to hold the instruments correctly, playing some of the strings and performing to some music!

It has been wonderful watching children express their musical side, and they are very excited to learn lots of tunes ready for their concert at the end of the project!

Harvest

Moulton Primary School will hold Harvest celebrations on Monday, 13th, and Tuesday, 14th October. During these two days, children will participate in assemblies. On Monday, Jenna Griffiths from the McCarthy-Dixon Foundation will speak to them about the charity, and on Tuesday, representatives from Moulton Parish Church will lead a Harvest celebration.

The McCarthy-Dixon Foundation is a community-focused charity addressing isolation, mental health issues, and financial hardship. It supports local residents through food aid, social engagement, and educational programs. This year, we invite those who wish to participate to donate tinned or non-perishable food items and small toiletries. These contributions will be delivered to the McCarthy-Dixon Foundation to aid those in need.

Please ensure that any contributions arrive at school between Thursday, 9th October, and Monday, 13th October.

We sincerely thank you for any donations you can offer.
