Newsletter 25<sup>th</sup> May 2023

Last term, a selection of children from our school took part in Spencer's Reading Challenge. This is a fundraising challenge run by Cynthia Spencer to raise money for the wonderful, special support they give to families in our community.

To take part in this, the children had to choose a reading challenge and ask for sponsorship to complete it. They did incredibly well!

### Our children raised over £700!

What an amazing achievement for an absolutely amazing cause! Congratulations, and thank you, to:

### Classroom News

#### Reception

The Early Years children released their first set of butterflies this week. The children have been caring for them since they arrived as tiny caterpillars. We have seen the caterpillars grow, cocoon and emerge as beautiful butterflies. What an amazing transformation!

## Year 4

This week, Year 4 took to the field and playground to apply their batting and fielding skills that we have been building in PE throughout the term. We played an adapted version of rounders and the children participated in a small competition, playing against children from across the year group. Lots of badger behaviour and good sportsmanship was shown by all and lots of teamwork was displayed within the games!

## Year 6 Residential

This week, we took all three classes off to Caythorpe Court for their residential experience. Thankfully, we were blessed with beautiful weather! The children took part in a range of risk-taking, exciting activities including the Giant Swing, Trapeze and Archery Tag. A highlight was raft building on the first day during which all of the children ended up in the water, bobbing around with big smiles on their faces ☺. It was brilliant to see children making new friends across the year group and supporting each other with the more challenging tasks. We felt very proud seeing how well behaved, polite and respectful our children were, particularly towards the PGL instructors and during meal times.

## Times Tables Rock Stars

Well done to all of the children who have been battling hard to earn coins and improve their speed and accuracy! Remember, we are now measuring our success in a slightly different way each week.

The top classes will be those with the highest participation over the last 7 days. The users of the week will be those children who have improved their number of correct answers the most.

Here are this week's results. Keep up the hard work everyone 😊.

### Highest Participation:

Year 2	2 Crick
Year 3	3 Spencer
Year 4	4 Tull
Year 5	5 Spencer
Year 6	6 Tull

### Most improved of the Week:
