

## Moulton Primary School Newsletter

Friday 29th November 2024

Dear Parents, Carers and Children,

As we approach the end of another bustling week, I'm thrilled to share some of the wonderful happenings that have been brightening our school.

Year 6 has been on a journey through time with their Windrush workshop, delving into this significant chapter of British history. It's heartening to see our oldest children engaging with such important cultural narratives, broadening their perspectives and fostering empathy.

The air has been filled with beautiful melodies as Years 3 and 4 showcased their musical talents in string and brass recitals. The dedication and progress demonstrated by these young musicians never fails to impress, and I'm sure many of you were as moved as we were by their performances.

In a creative twist on anti-bullying awareness, children across different year groups have been designing odd socks. This cross-year collaboration not only produced some fantastically unique designs but also reinforced our commitment to kindness and inclusivity throughout the school.

One of my favourite moments each week is our special afternoon tea. This weekly tradition allows us to recognise and celebrate those children who have gone above and beyond in demonstrating our school values. It's a joy to see children across the school demonstrating the principles that make our school community so special.

These diverse activities and achievements are a testament to the vibrant learning environment we strive to create at Moulton Primary. They reflect our commitment to nurturing well-rounded individuals who are not only academically capable but also socially aware and creatively expressive.

As always, I'm immensely proud of our children and staff for their enthusiasm, hard work, and the positive energy they bring to our school every day. Here's to another week of learning, growing, and making memories together.

Miss Jones  
Headteacher

### The Classroom News

#### Year 2

This week, we had a big surprise in Year 2. Over the weekend, someone or something had come into our classrooms and made a huge mess! There were chairs overturned, messy footprints everywhere and even some displays torn. We worked hard on Monday to work out what could have caused such a commotion. We soon found out that it must have been a character from our new book, (Dragon Post) a huge dragon! We were excited to investigate the disturbance and then we began writing postcards and diaries all about our experiences meeting and taming dragons. We've had a lot of fun, but we've left a note asking Mr Liddon to make sure he locks the Year 2 classrooms this weekend!

## Year 5

In DT last week, Year 5 have been investigating the variety of cuisines that can be found across the world and in particular the different types of bread that are eaten and consumed in various countries around the globe. Did you know that in the UK approximately 11 million loaves of bread are bought every day? As part of their learning, Year 5 had the opportunity to make their very own flatbreads, which they enjoyed with a handmade garlic butter. The children got to practise lots of skills during their cooking afternoon, from measuring to mixing and kneading to grating. There were lots of thumbs up across all three classes when it came to tasting these delicious creations and the smell of garlic in the Year 5 corridor is still making our mouths water.

## Vacancies

We have 3 vacancies for the role of parent governor on our governing board. The governing body works in partnership with the school to ensure that your child gets the best possible education and environment to support their learning journey. Please see the attached letter and candidate form for further information.

## Dates in the Diary

| DATE          | YEAR GROUP            | EVENT                                  | TIME       |
