child

Practise reading and spelling these words at home.
See how many you can learn off by heart!

English

Scan the barcode to share
our whole school story at
home.

We will be retelling the story of The
Frog and The Stranger. We must
remember to use full stops, capital
letters and finger spaces in our
writing.

Read

read it
again

We will be writing a set of
instructions for 'How to be a good
friend'. We will be using
conjunctions to join our ideas.
What do you think makes a good
friend?

Year 2 Knowledge Map - Term 1

Science: Living things and their habitats

Living things:

Move

Respiration

(release energy from food)

Sensitive

(move away - too hot
or move towards - light)

Grow

Reproduce

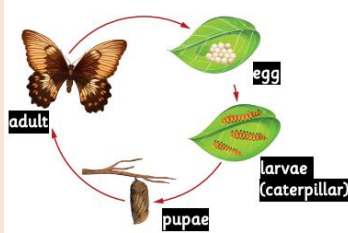

Excrete

(get rid of waste)

Nutrition

(eat)

Tier 2 multiple meaning or high frequency

healthy	being well and in good shape
survive	to keep living
exercise	activities to keep you fit and healthy
heart	organ that pumps blood around a body
lungs	organs that take in air when breathing
muscles	parts of the body that make you move

Art

We will be exploring a range of marks to represent mood and movement.

Children will also start to explore mark making to music.

Computing

How is information technology (IT) being used for good in our lives? Let's explore how it helps people in places such as shops, libraries, and hospitals.

RE

Who was Jesus?

What stories can we find in the bible?

Geography

Sticky Knowledge:

- Moulton is a village in Northampton.
- Northampton is a town in England, which is in the United Kingdom.
- A map is a picture of a place, usually drawn from above.
- Physical features are natural like hills, seas and mountains. They were not built by people.
- Human features are manmade like houses, roads and bridges. They were built by people.

What are the human and physical features of our village?

PSHE

What goals do you have for Year 2?

How can we help our friends when they are in need?
