

Year 6 Knowledge Map — Term 3

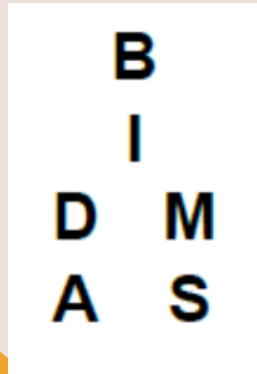

Maths

SCAN ME

Log in to battle for your band! It is recommended that you should be using TTRS at least one hour per week!

This term, we will be building on our knowledge of the four operations, initially focusing on written methods for division. Then, we will be learning about the order of operations.

Scan here to learn about the order of operations!

SCAN ME

Can you find the missing digits?

$$\begin{array}{r} 6 \cdot \square \\ 4 \overline{) 2 \square \cdot 2} \end{array}$$

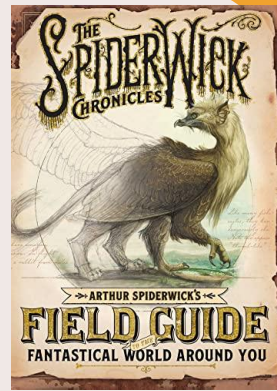

Scan for online resources to help revise written methods for division!

SCAN ME

English

Through exploring 'Arthur Spiderwick's Field Guide to the Fantastical World Around You', we are going to be writing non-chronological reports based on our own mythical creatures. Could you have a go at drawing your own mythical creature and writing a non-chronological report about it?

SCAN ME

Scan to look at some of the mythical creatures from the text.

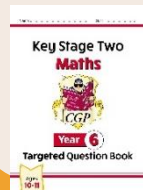

Scan for access to the maths games that we play in lessons!

This term, our unit is 'Dreams and Goals'. Within this sequence of lessons, we are going to be looking at our strengths and setting goals for the future.

PSHE

Homework Reminder

Don't forget to do your weekly homework activities, including Times Tables Rockstars and Spelling Shed! We also have homework club every Thursday lunchtime ☺

Spelling — Learn these statutory spellings and try to use them in your writing.

harass	individual	lightning	muscle
hindrance	interfere	marvellous	necessary
identity	interrupt	mischievous	
immediately	language		
	leisure

SCAN ME

Right
right side receives blood from the body and sends it to the lungs

deoxygenated

Left
left side receives blood from the lungs and pumps it away from the heart

oxygenated

Religious Education

This term, we are going to explore the concept of eternity through the beliefs of Christianity. We will consider what the Bible tells us about life after death and start to make links between these Christian beliefs and our own views.

Click this link to learn more about Christianity!

SCAN ME

Physical Education

In PE this term, we are going to work on our sending and receiving skills, using various sized balls, beanbags and hoops!

Use this link to try a sending and receiving activity from Oldham Athletic!

SCAN ME

Art

In Art, pupils will explore the work of Pablo Picasso and George Braque, who pioneered the cubism movement. We will use a range of cubism techniques to create a Picasso inspired portrait.

SCAN ME

Technical vocabulary:

Balance – to achieve a balanced composition, shapes, colours and textures can be arranged evenly.

Observational – drawings, paintings or sketches that are made of observed objects, people or places.

Angles – the spaces between two lines or surfaces that join.

Cubism – a style and movement in early 20th century art in which objects and people are represented as geometric shapes, often shown from many different angles at the same time.

Design Technology

Pupils will learn how to cook foods that are often pre-made and processed. They will learn and apply techniques to make dishes designed to help improve energy levels, mood and future health.

Learn how to cook pasta with Jamie Oliver!

Pasta with tomato sauce
